

10-12 June 2020

Palais des Congrès, Marrakech/BenGuerir - Morocco

DAY 1

Tuesday December 1st, 2020

08:00 - 09:30 Registration & Coffee

09:30 - 10:00 Welcoming address

Mr. Hicham EL HABTI, UM6P - *Morocco*

Mr. Badr IKKEN, IRESEN - *Morocco*

10:00 - 11:30

HIGH LEVEL PANEL Regulations and Policies
“Power-to-X Economy, A trigger to a New EU-Africa Union?”

 **Mr. Von MAYER**, Power-to-X Secretariat

M. Aziz RABBAH, Ministry of Energy, Mines and Environment – *Morocco*

High representative, - *European Commission*

High representative, - *Germany*

High representative, - *Netherlands*

11:30 - 12:00 Coffee Break

12:00 - 13:30

PANEL 2 Market Perspectives
“Is there a market for Power-to-X Products? Which timeline ?”

 **Mr. Nicolas BRAHY**, Hydrogen Europe

Representative, DENA

Representative, Hydrogen Council

Representative, IEA

Representative, VDA

Representative, BNEF

Representative, World Energy Council UK

13:30 - 15:00 Lunch Break

10-12 June 2020

Palais des Congrès, Marrakech/BenGuerir - Morocco

15:00 - 16:30

PANEL 3 Industrial Deployment of Power-to-X
“What are the challenges facing industrial scale-up of the PtX chain value”

 **T.B.C**

Mr. Ilyass EL FALI, OCP Group

Dr. Volkmar PFLUG, Florian Bergen Siemens

Mr. Rachid IDRISSE KAITOUNI, Moroccan Energy Federation

Representative, Engie

Representative, Hydrogenics

Representative, Proton/Casale

16:30 - 17:00

Coffee Break

17:00 - 18:30

SCIENTIFIC SESSION 1 Research Advances in Hydrogen

 **Dr. Samir RACHIDI**, IRESEN

15min Presentations + Q&A *Abstracts under review*

19:00

End of First Day

DAY 2

Wednesday December 2nd, 2020

09:00 - 10:30

PANEL 4 Power-to-X and Renewables
“Which challenges at what cost?”

 **T.B.C**

Representative, NAREVA

Representative, Engie

Representative, MASEN

Representative, EDF

Representative, Siemens

Representative, ENEL

10:30 - 11:00

Coffee Break

10-12 June 2020

Palais des Congrès, Marrakech/BenGuerir - Morocco

11:00 - 12:30

PANEL 5 Technology Challenges

“Is there a need for R&D to support large scale deployment of Power-to-X?”

 **Pr. Christopher HEBLING**, Fraunhofer ISE

Mr. Badr IKKEN, IRESEN - *Morocco*

Prof. Ralf WEHRSPORN, Fraunhofer - *Germany*

Dr. Florence LAMBERT, Cea-Tech - *France*

Representative, ECN-TNO - *Netherlands*

Representative, Centro Nacional de Hidrogeno - *Spain*

Representative, Sintef - *Norway*

Representative, AIST - *Japan*

Representative, Department of Energy - *The United States*

12:30 - 14:00

Lunch Break

14:00 - 15:00

PANEL 6 Power-to-X Deployment Benchmark

“NEDO Demonstration projects, What Lesson could be learnt from Japan?”

 **T.B.C**

Representative, Chayoda Corporation

Representative, Kawasaki Corporation

Representative, MHPS

Representative, NEDO

Representative, METI

15:00 - 15:30

Coffee Break

15:30 - 17:00

PANEL 7 Startups

“Do Startups have their place in the Power-to-X Market?”

 **T.B.C**

Representative, Sunfire

Representative, Climworks

Representative, Carbon Recycling International

Representative, Heliogen

10-12 June 2020

Palais des Congrès, Marrakech/BenGuerir - Morocco

17:00 - 18:30

SCIENTIFIC SESSION 2 Research Advances in Carbon Capture & Utilization, and Power-to-Liquid

T.B.C

15min Presentations + Q&A *Abstracts under review*

18:30 - 19:30

CLOSING CEREMONY

Summit Main Takeaways

Best Poster Prize

Best Scientific Presentation

Best Exhibitor Prize

Announcement for the Next Edition

20:00

GALA DINNER

DAY 3

Thursday December 3rd, 2020

10:00 - 13:00

Visits in BenGuerir (optional)

Green Energy Park Research Center

Mohammed VI Polytechnic University
